

TECHNOLOGY AND WELLNESS  
**POLYGEL**

The **Memo Artic** mattress is the result of the **most advanced research** and a **combination** of **technological materials**.

The mite-proof **Tencel** cover is of **natural regenerable** and organic origin, and offers a continuous exchange of air with the outside that guarantees an **excellent feeling of freshness**.

The thermoregulating Polygel surface helps heat dispersion.

The **Memory Foam Soft Toch** reduces the body's friction points on the mattress, providing a healthy sense of **well-being**. The support plate with double shoulder processing allows a **balanced position** of the spinal column. Three layers of **Polilattex** with different densities **distribute the weight** of the body **optimally** over the **7 different zones**.  
- Height **24cm**
