

TECHNOLOGY AND WELLNESS
INDEPENDENT SPRINGS

Giotto Spring is covered in **Stretch Mirelle hypoallergenic** fabric.

It is a **mattress** suitable for those who demand **innovative** support thanks to the two combined technologies of **Polilattex Firm** and **800 independent pocketed springs** with **7 differentiated zones** that together offer an **anatomically** correct rest.

The **protective jersey underlining** allows the mattress to be used while the fabric is being washed.

The **3D** perimeter **band optimises transpiration**.
