CATALOGUE

The **Giotto Elastic** mattress with **Stretch Mirelle hypoallergenic** and **removable** cover is a **functional, practical, easy-care** product.

Characterised by its marked **elasticity** and **breathability**, it consists of two different layers: on the one hand the more **compact** version for a more supportive feel, and on the other the more **elastic** and **dynamic** one for **better comfort**.

This solution, **with reversible inner layers**, makes it possible to accommodate two **different stiffness** requirements 4 and 8.

- Height **22cm**
