TECHNOLOGY AND WELLNESS
SILVER PROTECT

CATALOGUE

The **Comfort Memory** mattress guarantees **safety against bacteria** thanks to the presence of **silver ions** in the **removable Silver Protect** cover.

Soft comfort is enhanced by the generous layer of slow-progressing **Soft Touch Memory Foam**, which **eliminates pressure points** on the spinal column and muscles and **facilitates blood circulation**.

The thick layer of medium-bearing **Polilattex H.F.** supports the entire body weight in a **balanced** manner.

The result is a mattress that is **pleasant in comfort** and with **balanced** support.

- Height **22cm**
