CLASSIC FOAM SERIES

The **Polilatex Classic** mattress is a **non-deformable** and **breathable** product.

The **Stretch Cotton Jaquard** cover made of **hypoallergenic cotton** guarantees a **fresh** and **natural** contact.

The **Polilatex Firm** monoblock foam used in the core is able to accommodate a lot of air, thanks to its **open cell structure**.

This results in greater **dispersion of moisture** during sleep and **greater freshness**.

A **comfortable, anatomical** and **durable** mattress that matches **quality and price**.

- Height **18cm**
