

TECHNOLOGY AND WELLNESS
POLISOFF - I-FRESH

The **Diverso** mattress is made of **hypoallergenic** and removable **Stretch Impressive** fabric.

The cosy **Polisoft layer absorbs heat** and moisture, creating a **beneficial microclimate**.

Ideal for those who love **cool comfort** thanks to the presence of **I-Fresh technology**, which ensures an effective **lowering of temperature** compared to other fabrics.

The core is composed of **reversible Polilattex inner sheets** with different densities that offer the ideal **solution** to meet two **different stiffness requirements** 4 and 8.

- Height **28cm**
